UUP BENEFIT TRUST FUND

In addition to medical insurance, the collective bargaining agreement between United University Professions and the State of New York provides for dental and vision coverage and a scholarship program. These programs are funded by the State and are administered by the UUP Benefit Trust Fund. The Benefit Trust Fund also administers a group term life insurance program.

BENEFIT TRUST FUND ENROLLMENT

Coverage under the Benefit Trust Fund is not automatic. If eligible, you must enroll yourself and your eligible dependents in the Benefit Trust Fund. You need to file an Enrollment card with the Benefit Trust Fund directly or through your campus Health Benefits Administrator. Enrollment cards can be obtained by contacting the Benefit Trust Fund office or on the UUP website.

When you enroll, you must decide whether you want to participate in the Dental PPO Plan or the Dental DHMO Plan (see the dental sections).

The Benefit Trust Fund should be notified immediately of any corrections or changes in your name and marital and/or dependent status. (All address and phone number changes must be made at the campus level) Change of Marital or Dependent Status forms can be obtained by contacting the Benefit Trust Fund office or on the UUP website. Benefit Trust Fund contact information is listed below:

When Coverage Begins

- New employees (if they meet applicable criteria) become eligible for dental and vision coverage as soon as they complete 28 days of continuous employment. This requirement is the same as the waiting period for NYSHIP. The 28-day waiting period for otherwise eligible newly hired academic employees will begin on the actual day of professional obligation, but not earlier than August 15.
- Newly eligible employees have the same 28-day waiting period as new employees. Newly eligible employees are employees who are not eligible for Benefit Trust Fund coverage when they are hired, but become eligible later (for example, they meet the eligibility requirements as a result of an increase in teaching schedule or salary). Coverage for newly eligible employees will begin on the 29th day of eligible employment.

- If you are a new employee in the UUP Professional Services Negotiating Unit and you are transferred directly from other State employment, you will become eligible for dental and vision benefits the day after your benefit coverage with your previous plan terminates. In no instance will you incur a break in coverage.

When Coverage Ends

If you have been actively employed and your eligibility ends, your coverage will terminate the last day of the month following the month in which you were last employed.

Part-time employees are eligible to receive 13 payroll periods of coverage for each semester worked, according to Article 39 of the collective bargaining agreement between UUP and the State of New York.

If you have family coverage and you lose eligibility, your dependents' coverage ends on the same date your coverage ends.

If you have family coverage and only your dependent loses eligibility, their coverage will end as follows:

- Spouse: On the last day of the month of the effective date of the divorce.
- Domestic partner: On the effective date of the dissolution of the domestic partnership (per the New York State Department of Civil Service).
- Dependent children: On the last day of the month in which they turn 26.

BENEFIT TRUST FUND ELIGIBILITY

Employee

To be eligible for coverage, you must be an employee in the Professional Services Negotiating Unit and be eligible for enrollment in NYSHIP as a result of the collective bargaining agreement between UUP and the State of New York. You will be eligible for Benefit Trust Fund benefits for the duration that you are eligible for NYSHIP benefits.

In the event both you and your spouse or domestic partner are employees eligible for enrollment in NYSHIP as a result of the collective bargaining agreement between UUP and the State of New York, one of you must be enrolled as an eligible dependent for purposes of receiving benefits under the vision care program provided by the Benefit Trust Fund.

The eligibility rules for group term life insurance differ from those for dental and vision coverage (*see the MetLife section on page 22*).

Dependents

The following dependents are eligible for dental and vision benefits under the Benefit Trust Fund:

Spouse

Your spouse, including a legally separated spouse, is eligible. If you are divorced or your marriage has been annulled, your former spouse is not eligible even if a court orders you to maintain coverage.

Domestic partner

You may cover your domestic partner as a dependent. For eligibility with the Benefit Trust Fund, a domestic partnership is one in which you and your partner can certify that you:

- Are both 18 years of age or older
- Have been in the partnership for at least six months
- Are both unmarried
- Are not related in a way that would bar marriage
- Have shared the same residence and have been financially interdependent for at least six months

Enrollment of a domestic partner must be processed by your campus HBA. The Benefit Trust Fund will be notified of this enrollment by the New York State Department of Civil Service.

Please call the Benefit Trust Fund if your domestic partner wants only dental and vision coverage and does not need medical coverage.

Children

Your children are eligible until the end of the month in which they reach 26 years of age. An eligible child may be any of the following:

- 1) Natural child
- 2) Stepchild
- 3) Child of your domestic partner
- 4) Legally adopted child – including a child in a waiting period prior to finalization of adoption
- 5) Disabled child – your disabled child may be eligible for coverage after turning age 26. A special form is required for disabled children and is available from the Benefit Trust Fund. To be eligible, the child must meet all requirements listed below.
 - Be unmarried
 - Be incapable of self-support by reason of mental or physical disability
 - Be incapacitated before the age at which dependent coverage would otherwise be terminated
- 6) “Other” child – a child that does not meet any of the criteria listed above may also be eligible for Benefit Trust Fund coverage. The above requirements must be reached before the age of 26. You must verify eligibility and provide documentation. However, to be eligible, the child must meet all the requirements listed below:
 - Financially dependent on you
 - Reside with you
 - Be a child for whom you have assumed legal responsibility in place of parent

After Eligibility Ends

If you and/or dependent(s) are no longer eligible for Benefit Trust Fund coverage, coverage may be continued under COBRA in certain cases (*see COBRA section*).

DELTA DENTAL PPO PROGRAM (Group #165)

Delta Dental PPO Program

Coordination of Benefits

When two eligible UUP-represented employees are married, or in a domestic partnership, Delta Dental will utilize coordination of benefits to process claims. Dental claims for eligible dependent children are processed according to the “birthday” rule (claims are paid first under the UUP-represented employee with the birthday earliest in the year). Delta Dental will also coordinate benefits with other dental carriers.

Predetermination of Benefits

If the estimated total charge for a treatment plan exceeds \$500, you are encouraged to submit a predetermination to Delta Dental.

Annual Maximums

The per-person calendar year dental maximum contract allowance for covered in-network and out-of-network services is \$3,000.

No gatekeeper required

You do not have to select a primary care dentist for services. You can change dentists whenever you want without contacting Delta Dental.

Referrals not necessary

You do not need a referral from your primary care dentist to receive specialty services. You are free to visit the specialist of your choice.

Out of area coverage

You can visit any licensed dentist, anywhere in the world.

Large dentist network

Delta Dental's PPO network is among the largest of its type in the USA.

Network safety net

The PPO network gives you access to two Delta Dental dentist networks of different sizes that offer different levels of savings. You can choose a dentist from the larger Delta Dental Premier® network, or you can take advantage of the lower fees, and lower out-of-pocket costs, associated with dentists who participate in the smaller PPO network. This dual network approach means 3 out of 4 dentists in the country can save you money. This "safety net" protects you from the higher out-of-pocket costs that are likely if you visit non-participating dentists.

No pre-existing conditions exclusion

No exclusions for pre-existing conditions.

No claim forms

Delta Dental dentists take care of all the paperwork and Delta Dental pays dentists directly.

Delta Dental Premier Program

- Contact Lens Plan—eligible UUP-represented employees and eligible dependents can purchase contact lenses from Davis Vision's Enhanced Contact Lens Collection at a reduced copayment of \$25. When you select from the enhanced collection your contact lens evaluation, fitting and follow-up care is covered as part of the \$25 copay (*see Davis Vision Enhanced Contact Lenses Collection*).

Davis Vision Providers

Eligible UUP-represented employees and eligible dependents will receive the maximum benefit from the Vision Care Plan when utilizing an in-network provider. A list of in-network providers is available by calling Davis Vision Customer Service 1-800-999-5431 or at www.davisvision.com.

How to Use the Benefit

Visit the network provider of your choice and identify yourself as an eligible UUP-represented employee or an eligible dependent. Provide the provider with the eligible UUP-represented employee ID number. The provider's office will contact Davis Vision and verify eligibility for services. No claim forms are required.

What the Plan Provides

Every 12 months (based on the last date of service), eligible UUP-represented employees and eligible dependents are entitled to: (1) a comprehensive eye examination that includes glaucoma testing and dilation when professionally indicated, and (2) one pair of eye-glasses (prescription lenses and frames) **or** the benefit may be applied toward contact lenses (*see Davis Vision Care Plan Summary of In-Network Benefits*).

Each eligible UUP-represented employee and each eligible dependent can only receive one pair of eyeglasses and one eye examination per every 12-month period.
Lenses and Frames

<i>Davis Vision Enhanced Eyeglass Plan</i>	Copay
Premium AR Coating Offers reduced internal and external reflections. Lenses are easy to clean, safer and more impact resistant than standard AR lenses.	\$15
Ultra AR Coating Offers the best in anti-reflective lenses, including visual clarity and the virtual elimination of reflections and glare. Easy to clean, they repel water, dirt and fingerprints, and they provide improved scratch resistance and enhanced UV protection.	\$27
Ultra/Digital Progressive Offers exceptional comfort with highly accurate lenses, custom designed to the wearer's prescription. They provide enhanced visual clarity with high definition material and premium anti-reflective properties.	\$50
High-Index Lenses Are comprised of a dense material, resulting in thinner and lighter lenses than those produced from plastic. High-index lenses are especially useful to those with strong prescriptions, creating eyeglasses that are comfortable to wear without the awkward look of thick lenses.	\$55
Polarized Lenses Are used in sunglasses and provide wearers with a filter to eliminate the horizontal glare experienced from reflective surfaces, such as water or the road's surface. Polarized lenses can also be worn indoors to protect light-sensitive individuals from light exposure. These lenses are recommended for patients with eye conditions such as cataracts and age-related macular degeneration.	\$60
Plastic Photochromic Lenses Are light-sensitive and darken when they are exposed to ultraviolet rays. The most common brand is called transitions adaptive lenses. Generic versions are called "photochromic" or "photosensitive" lenses. These lenses provide the wearer protection from harmful effects of the sun.	\$70

Splitting the Vision Benefit

Eligible UUP-represented employees and eligible dependents may split the benefit by receiving an eye examination and eyeglasses (or contact lenses) on different dates or through different provider locations. However, complete eyeglasses must be obtained at one time from one provider. To maximize the benefits, it is recommended that all services be obtained from a network provider.

DIRECT PAYMENT PROGRAM

All employees in the UUP Professional Services Negotiating Unit (PSNU) may maintain UUP Benefit Trust Fund dental and vision benefits through the Direct Payment Program if one of the following scenarios applies:

- They are placed on an authorized leave without pay, regardless of the type of leave granted. Employees may maintain direct payment coverage for the full duration of their authorized leave.
- They are placed on a medical leave without pay whose authorized leave ends (and they are no longer employed) but who continue under SUNY's Long-Term Disability plan may continue the Direct Pay Program if the long-term disability coverage is verified annually through the Benefit Trust Fund.
- They are employed by the State but do not meet eligibility requirements for the New York State Health Insurance Program coverage. Benefit Trust Fund benefits can be purchased on a direct-payment, full-share basis if the employee remains employed by the state.

You must apply for the Direct Payment Program within 60 days from when your Benefit Trust Fund benefits terminate. Direct Payment Program applications may be obtained by calling the Benefit Trust Fund. Applications received after the 60-day deadline will not be accepted.

When Coverage Begins

- Coverage will begin on the first day of the month following the month in which your active benefits terminate.
 - If you are on authorized sick or disability leave without pay, your eligibility for Benefit Trust Fund benefits will be extended for a total of four months following the month in which you were last actively employed. Your direct payment coverage will begin on the first day of the month following the additional four months.

When Coverage Ends

- Direct payment coverage will terminate when your Direct Payment Program eligibility ends, you reach the age of 65, or for nonpayment.

To continue membership while on an approved leave, a direct-dues payment must be made within 60 days of commencing the leave. Contact the Benefit Trust Fund at 800-887-3863 for more information or use the application on the UUP website.

COBRA

Continuation of Dental and Vision Coverage

The Consolidated Omnibus Budget Reconciliation Act (COBRA) is a federal law that allows employees and their families to continue their health coverage in certain circumstances when coverage would otherwise end.

Under the same guidelines, the UUP Benefit Trust Fund offers COBRA for dental and vision benefits. COBRA benefits are the same dental and vision benefits offered to eligible UUP-represented employees and eligible dependents enrolled in the Benefit Trust Fund. Documentation of the COBRA-qualifying event may be required.

Eligibility

Employees

Eligible UUP-represented employees enrolled in the Benefit Trust Fund have the right to 18 months of COBRA coverage if their eligibility has ended due to termination of employment or a decrease in eligibility resulting in a loss of coverage.

Spouse/domestic partner

The spouse or domestic partner of a Benefit Trust Fund enrollee has the right to 18 months of COBRA coverage if the spouse's or partner's coverage under the Benefit Trust Fund is lost for any of the following reasons:

- The death of the employee
- Termination of the employee's employment
- Decrease in eligibility of the employee
- Divorce or termination of domestic partnership

Dependent children

A dependent child of a Benefit Trust Fund enrollee has the right to 18 months COBRA coverage if coverage under the Benefit Trust Fund is lost for any of the following reasons:

- The dependent ceases to be an eligible dependent child under the Benefit Trust Fund
- The death of the parent
- Termination of the parent's employment
- Decrease in eligibility of the parent
- Parent's divorce or termination of domestic partnership

Notification of Changes

It is your responsibility to notify the Benefit Trust Fund of any of the following changes:

- Death of your spouse
- Divorce
- Termination of a domestic partner relationship
- Change in dependent child's eligibility
- Birth or adoption of a child

Deadlines Apply

A COBRA application will be sent to your address of record. Be sure to read the application carefully. To maintain eligibility, you must complete and return the election form by the response date noted on the COBRA application.

60-day Deadline to Elect COBRA

You must elect continuation coverage within 60 days from the date you lose coverage or 60 days from the date you are notified of your eligibility for continuation of coverage, whichever is later.

Costs Under COBRA

COBRA enrollees pay 100% of the premium for continuation coverage, plus a 2% administrative fee. Premium rates are subject to change without advance notice. In addition, if the dental and vision benefits change for active employees, your coverage will change as well.

Monthly premiums for COBRA will not be billed by the Benefit Trust Fund but are the responsibility of each enrollee. The Benefit Trust Fund must receive monthly payments no later than the last day of each month or coverage will be terminated. Reinstatements are not allowed.

Other Coverage

You cannot be covered under the Benefit Trust Fund dental and vision COBRA program if you are covered, or are eligible for, coverage under another plan for dental and vision benefits either as an employee or as a dependent, unless the other plan contains limitations on the coverage of pre-existing conditions.

Survivors of COBRA Enrollees

If you die while you are a Benefit Trust Fund COBRA enrollee, your enrolled dependents who are qualified beneficiaries will be eligible to continue COBRA coverage for up to 18 months from the original date of COBRA coverage.

When You No Longer Qualify for COBRA Coverage

Continuation coverage will end if (1) the premium for your continuation coverage is not paid on time; or (2) the continuation period ends.

Notification of Dependent's Loss of Eligibility

To be eligible for COBRA continuation coverage, the enrollee or covered dependent must notify the Benefit Trust Fund within 60 days from the date a covered dependent is no longer eligible for coverage (see examples below):

- A divorce
- Termination of a domestic partnership (the New York State Department of Civil Service must supply this information)
- A child's loss of eligibility as a dependent

If the Benefit Trust Fund does not receive notification within that 60-day period, the dependent will not be entitled to choose continuation of coverage.

Only the employees of the Benefit Trust Fund who assist in the Plan’s administration and the Board of Trustees of the Benefit Trust Fund will have access to your PHI. These individuals may only have access to use and disclose your PHI for plan administration functions. This Plan provides a complaint mechanism for resolving noncompliance matters. If these individuals do not comply with the above rules, they will be subject to disciplinary sanctions.

By law, the Plan has required all its business associates to also observe HIPAA’s privacy rules. The Plan will not, without your authorization, use or disclose your PHI or employment related actions and decisions or in connection with any other benefit or employee benefit plan of the Plan Sponsor.

HIPAA provides that this Plan may disclose your PHI to the Plan Sponsor only upon receipt of a Certification by the Plan Sponsor that it agrees to the following: (a) not use or further disclose the information other than as permitted or required by the plan documents or as required by law; (b) ensure that any agents, including a subcontractor, to whom it provides PHI received from this Plan agree to the same restrictions and conditions that apply to the Plan Sponsor with respect to such information; (c)

not use or disclose the information for employment related actions and decisions unless authorized by you; (d) not use or disclosure the information in connection with any other benefit or employee benefit plan of the Plan Sponsor unless authorized by you; (e) report to this Plan any use or disclosure of the information that is inconsistent with the uses or disclosures provided for of which it becomes aware; (f) make PHI available to you in accordance with HIPAA's access requirements; (g) make PHI available for amendment and incorporate any amendments to PHI in accordance with HIPAA; (h) make available the information required to provide an accounting of disclosures; (i) make its internal practices, books, and records relating to the use and disclosure of PHI received from this Plan available to the Secretary of the U.S. Department of Health and Human Services for purposes of determining compliance by this Plan with HIPAA; (j) if feasible, return or destroy all PHI received from this Plan that the Plan Sponsor still maintains in any form and retain no copies of such information when no longer needed for the purpose for which the disclosure was made, except that, if such return or destruction is not feasible, limit further uses and disclosures to those purposes that make the return or destruction of the information infeasible; and (k) maintain adequate separation between the Plan and the Plan Sponsor. The Plan Sponsor has made such Certification to the Plan.

Under HIPAA, you have certain rights with respect to your PHI, including certain rights to see and copy the information, receive an accounting of certain disclosures of the information and, under certain circumstances, amend the information. You also have the right to file a complaint with this Plan or with the Secretary of the U.S. Department of Health and Human Services if you believe your rights under HIPAA have been violated.

This Plan's privacy notice provides a summary of your rights under HIPAA's privacy rules. Please contact the Benefit Trust Fund's Privacy Official and Benefit Trust Fund Administrator at 800-887-3863 if: (a) you wish to obtain a copy of the notice; (b) you have questions about the privacy of your health information; or (c) you wish to file a complaint under HIPAA.

Effective April 20, 2005, the Plan Sponsor will:

- Implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the electronic protected health information that it creates, receives, maintains or transmits on behalf of the Plan
- Ensure that the adequate separation between the Plan and the Plan Sponsor, as required by HIPAA, with respect to electronic protected health information, is supported by reasonable and appropriate security measures
- Ensure that any agent, including a subcontractor, to whom it provides electronic protected health information agrees to implement reasonable and appropriate security measures to protect the information
